When the road gets dark
And you can no longer see
Just let my love throw a spark
An' have a little faith in me

An' when the tears you cry
Are all you can believe
Just give these loving arms a try, baby
An' have a little faith in me

CHORUS:
Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me

An' when your secret heart
Cannot speak so easily
Come here darlin' from a whisper start
Have a little faith in me

Duet: An' when your back's against the wall
Just turn around an' a you will see
Duet: I'll be there, I'll be there to catch your fall
So have a little faith in me

Duet CHORUS:

Vocalizing in the background:
Cause I've been loving you for such a long time, baby
Expecting nothing in return
Just for you to have a little faith in me
You see time, time is our friend
'Cause for us there is no end
All you gotta do is have a little faith in me (have a little faith)

I will hold you up!
I'm gonna hold you up!
Beacuse your love it gives me strength enough
So have a little faith in me (have a little faith)

Hey hey! (faith, have a little)
All I want you to do for me tonight, baby (faith, just a little)
All you gotta do is justa have a little faith in me (have a little faith)
Yes! Yes, Ow, Baby! (faith, have a little, faith, just a little)
All you gotta do is justa have a little faith in me (have a little faith)
Just a little, said-a (faith, have a little, faith, just a little)
(guitar strumming)
SUNG OVER FADE:
Have a little faith in me (have a little faith in me)
Have a little faith in me (have a little faith in me)
Have a little faith in me (have a little faith in me)
