I spy for the fbi  
(I spy for the fbi)  
I spy for the fbi  
(I spy for the fbi)

I got an x-ray camera hidden in your house  
That sees what I can't see  
And that man you were kissin' last night  
Definitely was not me, oh baby

I spy for the fbi  
(I spy for the fbi)  
I spy for the fbi  
(I spy for the fbi)

Just because he was wearin' shades  
You thought he didn't leave a clue  
I got his name, I know his game  
He's double-0 you know who, oh baby

I spy for the fbi  
(I spy for the fbi)  
I spy for the fbi  
(I spy)

I've got the facts in the file  
Baby I don't have to guess  
I took that agent's fingerprints  
Off of your new red dress, oh baby

I spy for the fbi  
(I spy for the fbi)  
I spy for the fbi  
(I spy for the fbi)

I know when you're out  
I know when you're in  
I know where you're goin'  
'cause I know where you've been

I spy for the fbi  
(I spy for the fbi)

Baby, I spy for the fbi  
(I spy for the fbi)  
Baby, I spy for the fbi  
(I spy for the fbi)
