Spend my money but love me honey  
Break my heart but be my girl  
I just want you to be there when I come home

Drive my new car, smoke my cigar  
Buy you diamonds and your pearls  
Ooh, ooh, treat me like a dog  
But throw a little meat on them bones

And it's all right  
Yes, it's all right  
It's all right with me

And it's all right  
Yes, it's all right  
It's all right with me

You can hurt me but don't desert me  
Leave me runnin' but stay all night  
I want you to know your love is what I need

You can use me but don't refuse me  
Turn me back but do me right  
I just want you to know my love is guaranteed

And it's all right  
Yes, it's all right  
It's all right with me

And it's all right  
Yes, it's all right  
It's all right with me

And it's all right  
Yes, it's all right  
It's all right with me
