VERSE

You can't sit around waiting for the path to glory
You gotta get movin' to tell your story
The bigger they come the harder they fall from the
Littlest acorns come trees so tall
And where your comin' from is where your goin'
Til' you get there you got no way of knowin'

CHORUS 1

All the love in the world won't
Find you if you don't let it
Let it ride let it ride let it ride
And every mistake is a break
But only if you get it
Let it ride let it ride let it ride

BRIDGE

Everyday is a brand new place
Feel the sun upon your face
Try somethin' new
Don't regret it
A hole in your shoe but
Just forget it

CHORUS 2

Let it ride
Oh you got to let it
Let it ride let it ride let it ride
And every mistake is a break
But only if you get it
Let it ride let it ride let it ride
