Well I never went to college, babe  
I did not have the luck  
Rolled out of indiana in the back of a pickup truck  
With no education higher  
Than the street of my hometown  
I went lookin' for a fire  
Just to burn it all down

Chorus:  
You've got a real fine love  
You've got a real fine love  
One I am unworthy of  
You've got a real fine love, baby

I thought I had a line on something  
Maybe no one else could say  
And they couldn't find it in their hearts  
To just get out of my way  
Then out of nowhere, and from nothing  
You came into my life  
I'd seen an angel or two before  
But I'd never asked one to be my wife

Chorus

Well you can sprinkle all your teardrops

Across the evening sky  
But you cannot hide the twinkle  
Of starlight in your eye  
Well I left my map way back there, baby  
I don't know where we are  
But I'm gonna pull my pony up  
And hitch my wagon to your start

Chorus

Well now the babies are all sleeping  
And the twilight's givin' in  
She looks like you, he looks like her  
And we all look like him  
Well maybe it's just the little thing

The way I feel tonight  
A little joy  
A little peace

Chorus twice

You got it
