You know she talks like everybody
In the room was gonna listen in
Carries on a conversation
Like some others call their children in

Though you can't believe one sentence
Man you hang on every word
Till the line of trash she's talkin'
Just gets more and more absurd

Well I'm here to tell you brother
She said the same things to me

It was at another party
But to her I guess they're all the same
You know she'll ask you for a lite
But as soon she wants to know your name, ooh yeah

When she drops her tone to sweetness
Man you know she's zeroed in
There's another sucker waitin'
Even as she reels you in

Well I'm here to tell you brother
She said the same things to me
What she's sayin'

"Do you drive a nice car"
Ooh yes I do babe
And are you goin' far
All the way if you want to
Are you man enuff for me
Oh yes I am all nite, all nite

Once you get her out the door
She just wants you to take her home
You thought that you were Mr. Cool
Man this chick has got a heart of stone

Before you need a cold shower
Take a tip friend if you please
This rap she's layin' on you

Is just a bogus strip tease

Well I'm here to tell you brother
She said the same thing to me

Do you drive a nice car
Ooh yes I do baby
And are you goin' far
All the way if you want to
And are you man enuff for me
Oh yes I am all nite, all nite

Once you get her out the door
Man she just wants you to take her home
You thought that you were Mr. Cool
Man this chick has got a heart of stone
Just like a rock

Before you need a cold shower
Take a tip friend if you please
This rap she's layin' on you
Is just a bogus strip tease

Well I'm here to tell you brother
She said the same thing to me
Ooh she said the same thing to me

Ooh yeah the same lines, they're the same time
Got me right out of my mind, I'm tellin' you brother
She said the same thing to me
She said the same thing to me
