Take the ribbon from your hair, Shake it loose and let it  
fall,  
Layin' soft upon my skin. Like the shadows on the wall.

Come and lay down by my side till the early morning  
light  
All I'm takin' is your time. Help me make it through the  
night.

I don't care who's right or wrong, I don't try to  
understand.  
Let the devil take tomorrow. Lord, tonight I need a  
friend.

Yesterday is dead and gone and tomorrow's out of  
sight.  
And it's sad to be alone. Help me make it through the  
night.

I don't care who's right or wrong, I don't try to  
understand.  
Let the devil take tomorrow. Lord, tonight I need a  
friend.

Yesterday is dead and gone and tomorrow's out of  
sight.  
And it's sad to be alone. Help me make it through the  
night.  
Help me make it through the night.
