Slow dancing tight  
My barren heart and i  
Your name used to taste so sweet  
Then you beat the love right out of me  
It's a mystery how people behave!  
How we long for a life as a slave  
When he kissed me i gladly gave in  
To a fight nobody could win

Man, he left me blue  
And if i could i would do it too  
I tell you now like i told you before  
Love is a powerful force  
And it's a mystery how people behave!  
How we long for a life as a slave  
And tumble into any open arms  
That will only ever do you harm

Oh, you you it's always you  
The best kisser that i ever knew  
True love is cruel love  
Not much to be proud of  
Nerve-wrecking acrobatic backwards bend  
All for a happy end

It's a mistery how people behave!  
How we worry ourselves to the grave  
When he kissed me i lost everything  
Then i got up and did it again

Oh you you, it's always you, the hardest hitter that i  
ever knew  
True love is cruel love  
Not much to be proud of

Ass-kissing mercy-missing faithless friend  
All for a happy end
