Multifarious carnage
Meretriciously internecine
Sublime enmangling steelbath
Of escheated atrocities

Enigmatic longanimity
Of ruminant mass graves
Meritorious victory
Into body-bags now scraped

Regnant fleshpiles
The dead regorged
Oscularoty majestic wrath
This carnal forge

Desentised to perspicuous horror
Dehumanized fresh cannon fodder

Meritorious horror
Perspicuous onslaught
Dehumanized cannon fodder

Killing santised
Slaughter scantified
Desentised to genocide

Reigning corpsepiles
Death regorged
Sousing bloodbath
Carnage forged

In the cold, callous dignity
Of the mass grave

Multiferocious carnage
Cruel, mendacious breed
Sublime, murderous bloodbath
Of fiscal atrocities

Inexorable mettle
In redolent consomm
An opprobrious crucible

Of molten human waste

Priapismic deathpiles
Infinitely regorged
The smelting butchery
Of the carnal forge

Desentised to pragmatic murder
Dehumanized into cannon fodder
