"Cross My Heart"

Yeah, cross my heart and hope to die
It will only end in tears, eye for an eye, for an eye
If beauty is only skin deep
Then thankfully I am blind
Cross my heart and hope to die

Cross my heart, come cross the line
Won't you be mine, my bloody valentine?
Put me on a pedestal, he'll put you on a slab
Cross my heart and hope to die
Come, let's cross the line

There's a fine line
Between love and hate
Let's tear it apart

Cross my heart
And hope to die
Cross my heart
Come, let's cross the line

Time is no great healer, quickly the senses numb
Come cross my heart, void and null
Love is a weakness, lust conquers all
Cross my heart and hope to die
Where do we draw the line?

There's a fine line
Between love and hate
Let's tear it in two

Cross my heart
And hope to die
Cross my heart
Come, let's cross the line

Let's tear it apart

Yeah, cross my heart
And hope to die
Cross my heart
Come, let's cross the line

Come on, cross my heart
And hope to die
Yeah, cross my heart
And let's cross the line
