Works of art, painted black  
Magniloquent, bleeding dark  
Monotonous palate, murky spectrum, grimly unlimited  
Food for thought, so prolific  
In contrasting shades, forcibly fed  
Abstraction, so choking, so provocative  
A canvas to paint, to degenerate

Dark reflections - degeneration  
A canvas to paint, to denigrate

Dark reflections, of dark foul light  
Profound, aesthetic beauty  
Perceptions, shattered, splintered, mirroring  
Or shaded, sensory corruption  
In deft taints, diluted, tinted  
Spelt out, in impaired colour  
Denigrating, going to paints to pain - not a pretty  
picture

Dark reflections - degeneration  
A canvas to paint, to degenerate  
A canvas to paint, to denigrate  
Dark reflections, of dark foul...  
Works of heart bleeding dark

Black, magniloquent art  
Monotonous palate, murky spectrum, grimly unlimited  
Prolific food for thought  
Abstraction, so choking, so provocative  
Contrasting, fed with force

Bleeding works of art  
Seething work so dark  
Seering words from the heart  
(Lead - Steer)  
Dark reflections - degeneration  
A canvas to paint, to degenerate  
A canvas to paint, to denigrate

(Lead - Amott)  
Dark reflections, of dark foul...

A canvas to paint, to degenerate  
Dark reflections - degeneration  
A canvas to paint, to denigrate  
Dark reflections, of dark foul light
