"No Love Lost"

Sensual awakening numbing feeling's dead
Conception's romanticized synthesized broken heart's
to bled

Without emotion, your heartstrings played
Strummed and severed to the tune of a tragic
serenade
A tragic chorus

Without emotion, your heartstrings break
Snapped and severed to the tune of a tragic, sad-
cliche

No love lost when all is said and done
There's no love lost

The low cost of loving amorous travesty
Human frailties and weakness are easy prey
How your poor heart will bleed

Without emotion, your heartstrings played
Strummed and severed to the tune of a tragic
serenade

No love lost when all is said and done
There's no love lost

No love lost when all is said and done
There's no love lost

No love lost when all is said and done
There's no love lost
