"Song From The Third Element"

Visit "[Song From The Third Element](#)" on MotoLyrics.com

Part One

You will go far
With Kero by your side.
You will...you will...
Find the card in time.
She's just an ordinary girl
In a magical world.

Part Two

Each time you win,
Thus you blush head to toe,
When you catch site of her.
She's just an ordinary girl
In a magical world.
Now she's on the trial of trouble, and
(Sakura) The adventure has just begun!
One day, you find your whole life has changed.
As quick, be brave,
Your heart will show you the way.
She's just an ordinary girl
In a magical world.
Now she's on the trail of trouble...
