Galatians 3 & Romans 3:22

Chorus

To hear with my heart

To see with my soul

To be guided by a hand I cannot hold

To trust in a way that I cannot see

That's what faith must be

When the universe fell from His fingertips

He decided He wanted some fellowship

But the man and the woman would not submit

So He made a better way

When the moment was right He sent His own Son

And He opened the way so that everyone

Could have hope and believe that when time was done

He'd be able to make us one

Chorus

Now I understand that there is a key

It's Jesus in me, a reality

That God is in Christ and that Christ's in me

That with faith I see what is unseen

Chorus

That's what faith must be
