Once he gets a mystic call  
Jump into his motorcar  
Once we're rolling down the road  
He's forgotten where to go

Travelling with Charley  
My detective darling

My agent hasn't solved a case  
My agent never finds a trace  
But Charley has always style  
Charley is always nice

Poor Charley  
He would be nothing without me

Once I clear his memory  
But he'll crash into a tree  
Once we're getting to the place  
Someone else has solved the case

Travelling with Charley  
My detective darling

My agent hasn't solved a case  
My agent never finds a trace  
But Charley has always style  
Charley is always nice

Poor Charley  
He would be nothing without me  
But I do love him
