Words and music by John Kay and Michael Wilk

Ah, it's you again, you're back for more
Let me tell you right now, you just keep walkin' past my
door
You got nothin' I want, just a pack of lies
That you're down here scrounging, well it's no surprise
For your lies came back to haunt you
Now they're bound to dog your heels
In your eyes I see the panic
Now you know just how it feels

Everybody knows you, everybody saw
Everybody knows you, everybody knows just what you
are
Everybody knows you, everybody heard
Everybody knows you, everybody knows you tried to
screw the world

Say what you will, do what you like
Ain't gonna change a thing with your sleazy alibis
You got nowhere to hide, no place to go
Everybody 'round here's just waitin' for the show
For it's time to pay the piper
Yeah, to pay him what you owe
You can't buy your absolution
No, you got to eat some crow

Everybody knows you, everybody saw
Everybody knows you, everybody knows just what you
are
Everybody knows you, everybody heard
Everybody knows you, everybody knows you tried to
screw the world

Everybody knows you, everybody saw
Everybody knows you, everybody knows just what you
are
Everybody knows you, everybody heard
Everybody knows you, everybody knows you broke your
word

Everybody knows you, yes everyone can read
Everybody knows you, and everybody knows you did
the dirty deed
