Give me the beat, boys  
Give me the beat, boys

Day after day I'm more confused  
But I look for the light through the pouring rain  
You know, that's a game that I hate to lose  
I'm feeling the strain, ain't it a shame?

Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away  
Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away

I'm beginning to think that I'm wasting time  
And I don't understand the things I do  
Yeah, the world outside looks so unkind  
Now it's up to you to carry me through

Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away  
Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away

And when my mind is free  
You know, the melody can move me  
And when I'm feeling blue  
The guitar's coming through to soothe me, yeah

Thanks for the joy you've given me  
I want you to know that I believe in the song  
The rhythm and rhyme and harmony  
You help me along, you're making me strong

Give me the beat, boys  
Give me the beat, boys, come on

Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away  
Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away

Give me the beat, boys and free my soul

I wanna get lost in your rock and roll and drift away  
Give me the beat, boys and free my soul  
I wanna get lost in your rock and roll and drift away

Give me the beat, boys
