### "Moonshine"

Moonshine, Tennessee wine,  
Running around my head.  
Moonshine, friend of mine,  
Help me to find my bed.

I said I'd never do a town again,  
But here I go, I'm paintin' it red.  
Forgetting all the easy words I said,  
Now I'm walkin' out the door.  
I just got to get some more of that...

Moonshine, Tennessee wine,  
Running around my head.  
Moonshine, friend of mine,  
Help me to find my bed.

[Instrumental]

Now they say that it's closin' time again,  
And I'm lookin' around for my new best friend.  
I gotta find a place to lay my head,  
Cause I think I'm gonna cry,  
I believe I'm gonna die,  
Or maybe just fall down by the road side.

Moonshine, Tennessee wine,  
Running around my head.  
Moonshine, friend of mine,  
Help me to find my bed.  
Help me to find my bed.

Moonshine, Tennessee wine,  
Running around my head,  
Moonshine, friend of mine,  
Help me to find my bed.

Moonshine, Tennessee wine,  
Running around my head.  
Moonshine, friend of mine,  
Help me to find my bed.  
[Fades to end]
