Words and music by John Kay and Michael Wilk

Money, money, day and night  
You got to pay and pay  
Well, I tell you honey, it just ain't right  
To let them chase you that way  
If dog eat dog is what they want then you must leave  
your mark  
If dog eat dog is all they know you got to bite and bark  
So if you need me to join the fight, girl  
I'll be there right by your side  
Oh, lean on me girl, I'm

Rock steady, I'm rough and ready  
Nobody will make us run  
Rock steady, I'm tough as any  
Nobody will take our fun

Groan and moanin', rant and rave  
It's 'bout to drive me wild  
Well, you just mind your own and stay in your cave  
And we won't have to fight  
It's "Don't do this and don't say that and don't have too  
much fun  
You can't do this, you can't say that, it simply isn't  
done".  
Well, if we're needed to make a stand girl  
We'll be right here side by side

Oh, stay with me girl I'm'br>  
Rock steady, I'm rough and ready  
Nobody will make us run  
Rock steady, I'm tough as any  
Nobody will take our fun

Ah baby, I go crazy,  
Tryin' to deal with these jokers and clowns  
Nobody here will turn us around  
There's no more runnin' and no more time  
It's here and now, I'm gonna stand my ground

Rock steady, I'm rough and ready

Nobody will make us run  
Rock steady, I'm tough as any  
Nobody will take our fun
