Love her like a lover love her like a lover

wo . . .

Love her like a lover

love her.

You'll have to love her good! Are you neglecting her?

Are you expecting her to be there? When you get home?

Make sure you treat her right

Or she'll be gone one night to find love from another!

Love her like a lover love her like a lover

wo

Love her you've got to love her good! Do things you used to do.

Like saying "I love you" don't take her love for granted.

Tonight when you get home just get her

On her own and love her like a lover!
