Passion is my madness
Magnificently so
Tumbling into the darkness
Trimphantly so
Falling into a fever
Exceptionally high
Twisting into the torture
Furiously we fly

Magnificent madness
Magnificent mad mad madness
Magnificent madness
Magnificent mad mad madness

Crazy with a feeling

So wonderfully wild
Drunk in love I'm reeling
Deliriously alive

Fired into the heaven
Magnificently shot
Crashing into the blindness
Fantasticly hot

Magnificent madness
Magnificent mad mad madness
Magnificent madness
Magnificent mad mad madness
