Hi
I'm pretty fine.
How are you?
Your eyes are red.

Please, please stay away from what is mine.
My, I never thought I'd see you here.
Well i am tired.
Blah blah blah blah blah
Really glad to meet you, darling.

Where, where did we lose such what do you call?

All we ever say is blah blah blah blah
No one's hurt, no one's weird
We feel safe with blah blah blah blah
Don't try to reach me
So all we dare to say is blah blah blah blah

I am numb
I don't want to look inside you
So let's just talk about the times
Like lots of people do

All we ever say is blah blah blah blah
We feel safe with blah blah blah blah

Blah blah blah blah blah
Blah blah blah blah
Blah blah blah blah
We feel safe with blah blah blah blah

All we ever say is blah blah blah blah
No one's hurt, no one's weird
So all we dare to say is blah blah blah blah
