Iâ€™m breaking out cause Iâ€™m breaking
Bugging party girl break down breaking
Iâ€™m breaking out cause Iâ€™m breaking
Bugging and I canâ€™t stand it
Iâ€™m breaking out cause Iâ€™m breaking
Bugging party girl break down breaking
Iâ€™m breaking up cause Iâ€™m breaking
Bugging and I canâ€™t see it like this

Breaky day
on my way
from the party I always stay
till they put all the lights on
even way pass the crack of dawn
in the place
Boom the base
I came to dance not to chase
Even if I like to get it on
Papi not about to take you home

Got to go home now
But Iâ€™m to stoned right
What will mamy say
canâ€™t see me this way

itâ€™s the hey hey the alcohol
Up in my body and mixed it all
itâ€™s the hey hey the alcohol
Up in my body and mixed it all

Iâ€™m a party girl thatâ€™s right
Come into my party world yeah thatâ€™s right
Cause Iâ€™m a party girl all night
Party like you never heard all right

Iâ€™m breaking out cause Iâ€™m breaking
Bugging party girl break down breaking
Iâ€™m breaking out cause Iâ€™m breaking
Bugging and I canâ€™t stand it
Iâ€™m breaking out cause Iâ€™m breaking
Bugging party girl break down breaking
Iâ€™m breaking up cause Iâ€™m breaking

Bugging and I can't see it like this

Hold me down

Take it slow

Take a deep breath don't make it show

Take a step step and ease the flow

Set the pace out and ship the ten four

Ooow Easy

Party girl now believe me

Got your mind way to woozy

Clean it up girl go lose it

Got to go home now

But I'm too stoned right

What will my mama say

can't see me this way

It's the hey hey the alcohol

Up in my body and mixed it all

It's the hey hey the alcohol

Up in my body and mixed it all

I'm a party girl that's right

Come into my party world yeah that's right

Cause I'm a party girl all night

Party like you never heard all right

I'm breaking out cause I'm breaking

Bugging party girl break down breaking

I'm breaking out cause I'm breaking

Bugging and I can't stand it

I'm breaking out cause I'm breaking

Bugging party girl break down breaking

I'm breaking up cause I'm breaking

Bugging and I can't see it like this (2x)

I'm breaking breaking I need to cut it out

The life that I've been living is a killer no doubt

I'm shaking shaking I need to let it out

All my system and my thinking is a prison

Gotta break on out

Breaking breaking I need to cut it out

The life that I've been living is a killer no doubt

I'm shaking shaking I need to let it out

All my system and my thinking is a prison

Gotta get on out

I'm breaking out cause I'm breaking

Bugging party girl break down breaking

I'm breaking out cause I'm breaking

Bugging and I can't stand it

Iâ€™m breaking out cause Iâ€™m breaking
Bugging party girl break down breaking
Iâ€™m breaking up cause Iâ€™m breaking
Bugging and I canâ€™t see it like this (2x)
