Uhh  
Hahaha

I will never know  
'Cause you will never show  
Come on and love me now  
Come on and love me now

I will never know  
'Cause you will never show  
Come on and love me now  
Come on and love me now  
Come on and love me now

Carnival came by by town today  
Bright lights from giant wheel  
Fall on the alley ways  
And I'm here by my door  
Waiting for you

I will never know  
'Cause you will never show  
Come on and love me now  
Come on and love me now

I will never know  
'Cause you will never show  
Come on and love me now  
Come on and love me now  
Come on and love me now

I hear sounds of lovers  
Barrel organs, mothers  
I would like to take you  
Down there  
Just to make you mine  
In a merry go round

I will never know  
'Cause you will never show  
Come on and love me now  
Come on and love me now

I will never know  
'Cause you will never show  
Come on and love me now  
Come on and love me now

Come on and love me now  
Come on and love me now  
Come on and love me now  
Umm come on and love me now  
Come on and love me now  
Come on and love me now  
Come on and love me now

Ooo ooo ooo woh ooo woh
