For 27 years I've been trying to believe and confide in  
Different people I've found.  
Some of them got closer then others  
Some wouldn't even bother and then you came around  
I didn't really know what to call you, you didn't know me  
at all  
But I was happy to explain.  
I never really knew how to move you  
So I tried to intrude through the little holes in your  
vanes

And I saw you  
But that's not an invitation  
That's all I get  
If this is communication  
I disconnect  
I've seen you, I know you  
But I don't know  
How to connect, so I disconnect

You always seem to know where to find me and I'm still  
here behind you  
In the corner of your eye.  
I'll never really learn how the love you  
But I know that I love you through the hole in the sky.

Where I see you  
And that's not an invitation  
That's all I get  
If this is communication  
I disconnect  
I've seen you, I know you  
But I don't know  
How to connect, so I disconnect

Well this is an invitation  
It's not a thread  
If you want communication  
That's what you get  
I'm talking and talking  
But I don't know  
How to connect

And I hold a record for being patient  
With your kind of hesitation
