Oh girl, look at yourself, what have you done
What have you become
Well, I couldn't say
Slow down and think of your heart, where do you go
Now, how am I supposed to know, I'm always looking
away

Give me your eyes so I can see me straight
Give me your eyes
I can't tell night from day
Give me your eyes so I can see me straight
Give me your eyes and watch me walk away
Yeah, yeah, yeah
I took a look at myself
Nothing inside
Except for cigarettes and wine where there should be a
life
You've been watching me for a while and you like what
you see
It's in the eyes of the beholder
Now give them to me

Give me your eyes so I can see me straight
Give me your eyes that seem to light my face
Yeah, yeah, yeah
Oh mirror, mirror upon the wall
Who is the fairest of them all
Mirror, mirror made no reply
Mirror went black and cracked from side to side
Yeah, yeah, yeah
Oh girl, look at yourself, what have you done
What have you become
You know the camera don't lie
Give me your eyes so I can see me straight
Give me your eyes I can't tell night from day

Come give me your eyes so I can see me straight
Give me your eyes and watch me walk away
Yeah!

Give me your eyes
Give me your eyes

Yeah, yeah, yeah!
