So I say, hey
Get out of my way
Hey, hey, hey, hey
Mmm, you've always been in my way
And I say, hey
(Hello goodbye)
Get out of my way
Hey, hey, hey, hey
And stay out of my way

Listen baby
Thoughts have crossed my mind
And it's clear now
You are not my kind
And I've tried boy
Better ways to say
What I feel now
It seems you plan to stay
But I won't waste a day

So I say, hey
Get out of my way
Hey, hey, hey, hey
You've always been in my way
And I say, hey
(Hello goodbye)
Get out of my way
Hey, hey, hey, hey
You've always been in my way

Hear now honey
I'll be good to you
If you stay gone
Far out of my view
I'm sick and tired
Of your dramatic ways
Uhh, and when I think of
All those wasted days
I shake loose of your laces

And say, hey
Get out of my way

Hey, hey, hey, hey
You've always been in my way

This is all that I will say
This is all that I will do
I'm not in love with you

So I say, hey
Get out of my way
Hey, hey, hey, hey
Mmm, you've always been in my way
And I say, hey
(Hello goodbye)
Get out of my way
Hey, hey, hey, hey
And stay out of my way
