La-la-la-la-la,
la-la-la-la-la La-la-la-la-la, la-la-la-la-la La-la-la-la-la, la-
la-la-la-la La-la-la-la-la,
la-la-la-la-la

So now we've got our independence Ooh,
what are we gonna do with it
Learning to play different games
Already using different names
'Cause now our love bears no resemblance Ooh,
To what we had before
When our love was good it was all that we saw
When our love was good it blinded us before
This real revolution baby
Where you're not below me anymore

Never never love
Can never be enough
Never be enough,
Just ain't good enough,
Yeah Never never love
Can never be enough now
Never be enough, oh no

So now we've got our independence Ooh,
What are we gonna with it
Building the houses, claiming back the land
Burning the bridges, cleaning up your hands
'Cause now our love bears no resemblance Ooh,
To what we had before
Now our love has something for the future
Now our love will grow the seeds to sow this real
revolution
This good revolution baby
Where you're not below me anymore

Never never love will never be enough
Could never be enough,
just ain't good enough,
yeah Never never
love will never be enough

Never be enough, oh no no no

La-la-la-la-la, la-la-la-la-la

La-la-la-la-la, la-la-la-la-la

When our love is good we have something for the
future

Now our love will grow the seeds to sow this real
revolution

This good revolution baby Where you're not below me
anymore

(Real revolution, yeah) Oh yeah, oh no no no no no,
it's a (Real revolution) so good Oh no no no no no

(Real revolution, yeah) So real, this revolution now

(Real revolution) So real, this revolution now, oh n
