This is where your sanity gives in and love begins  
Never lose your grip, don't trip, don't fall, you'll lose it  
all  
The sweetest way to die

It lies deep inside  
You cannot hide  
It's the meanest fire

Oh, it's a strange desire  
You cannot lie  
That's a needless fight

This is where your sanity gives in and love begins  
Never lose your grip don't trip, don't fall, you'll lose it  
all  
The sweetest way to die

When your blood runs dry  
You're paralyzed  
It will eat your mind

Did you hold it back  
It comes to you in slow attacks  
Oh, it's the meanest fire

This is where your sanity gives in and love begins  
Never lose your grip, don't trip, don't fall, you'll lose it  
all

This is where your sanity gives in and love begins  
Never lose your grip, don't trip, don't fall, you'll lose it  
all

This is where your sanity gives in and love begins  
Never lose your grip, don't trip, don't fall, you'll lose it  
all  
The sweetest way to die
