I want to be alone for a while  
I want earth to breathe to me  
I want the waves to grow loud  
I want the sun to bleed down, to bleed down

See the waves go down  
See the moon alone  
I raise my head and whisper

Rise and shine  
Rise and shine my sister  
Rise and shine  
Rise and shine my sister

Rise and shine  
Rise and shine my sister  
Rise and shine  
Rise and shine

I want to see the wounded moon  
I want the sea to break through  
I want it all to be gone tomorrow  
So I've come to say, "Goodbye", to say, "Goodbye"

See the waves go down  
See the moon alone  
I raise my head and whisper

Rise and shine  
Rise and shine my sister  
Rise and shine  
Rise and shine my sister

Rise and shine  
Rise and shine my sister  
Rise and shine  
Rise and shine

Rise and shine  
Rise and shine  
Rise and shine
