Tomorrow
Tomorrow
Tomorrow

Someone's thinkin' of her
A fifteen hour trip away
Life is so much slower
Than a charter trip delay

Tomorrow she won't feel half of this
Tomorrow morning is a sugar kiss
Tomorrow heavenly no sorrow
She will lose gravity
Tomorrow

Someone's thinkin' of her
Through the hazy scenery
Life is blue as water
When you're missing somebody

Tomorrow she won't feel half of this
Tomorrow morning is a sugar kiss
Tomorrow heavenly no sorrow
Tomorrow

Tomorrow she won't feel half of this
Tomorrow morning is a sugar kiss
Tomorrow he's on his way darlin'
Tomorrow
Yeah
