Once he gets a mystic call
Jump into his motorcar
Once we're rolling down the road
He's forgotten where to go

Travelling with Charley
My detective darling

My agent hasn't solved the case
My agent never finds a trace
But Charley has always style
Charley is always nice

My agent hasn't solved the case
My agent never finds a trace
But Charley has always style
Charley is always nice
Poor Charley
He would be nothing without me

Once I clear his memory
But he'll crash into a tree
Once we're gettin' to the place
Someone else has solved the case

Travelling with Charley
My detective darling

My agent hasn't solved the case
My agent never finds a trace
But Charley has always style
Charley is always nice

My agent hasn't solved the case
My agent never finds a trace
But Charley has always style
Charley is always nice
Poor little Charley

But Charley has always style
Charley is always nice
Poor Little Charley

He would be nothing without me
But I do love him
