La-la-la-la-la-la
La-la-la-la-la-la
La-la-la-la-la-la

I saw you there I stopped and stared
The curly girlie smiled
You really were too close to her
And people just went by

I saw your face and her embrace
Your whisper in her ear
I know the score 'cause I've heard it before
I read your lips with fear

Your words were clear you said

(La-la-la-la-la-la)
Let's say forever, let's say it's true
(La-la-la-la-la-la)
Let's come together, me and you
(La-la-la-la-la-la)
Your new cuckoo

I read your lips with fear

Your words were clear you said

(La-la-la-la-la-la)
Let's say forever, let's say it's true
(La-la-la-la-la-la)
Let's come together, me and you
(La-la-la-la-la-la)
Your new cuckoo

(La-la-la-la-la-la)
Let's say forever, let's say it's true
(La-la-la-la-la-la)
Let's come together, me and you

(La-la-la-la-la-la)
Let's say forever, let's say it's true
(La-la-la-la-la-la)

Let's come together, me and you

Just me and you
Your new cuckoo
Your new cuckoo
