Looka here  
I'm gon' tell you a story  
About two friends  
Whom I known  
And the whole world knowed 'em  
The one and only  
Jimi Hendrix  
And Janis Joplin  
Who passed on  
From the needle  
They O.D.'d  
Ah what a big loss  
To this wonderful world  
's Sad...  
Dope addicts, dope addicts  
You better watch yourself  
Dope addicts, dope addicts  
You got to watch yourself  
You one of these days, one of these days  
You might pass on  
Stop shootin' no needle  
And stop swallowin' that LSD  
Stop shootin' no needles  
And stop swallowin' in those pills  
That needle's too heavy  
Your heart can't take it none  
Hey hey  
I know, so many young folks  
They're hooked, they're doomed to die  
So many young folks  
They're hooked, they're doomed to die  
You better try and kick it  
But you can't last long this way  
Yeah...  
Drug addict, drug addict  
You better wake up and get wise  
Drug addict, drug addict  
You better wake up and get wise  
Your days are numbered, your days are numbered  
Your day you just don't know  
You better try and kick it  
You better try and kick it

That needle is too heavy for ya  
It's too heavy  
Hey, it's too heavy  
It's too heavy for your heart, for your heart  
Hey hey  
It's too heavy  
It's too heavy  
You better kick it right now  
I know you better kick it  
I know it's hard  
You better suffer and kick it  
You better suffer and kick it  
You got to suffer some  
To kick  
Hey it's too havy for you  
(...fades)
