I told you, baby, how I feel
One word can close this deal
Baby, be my queen of hearts
Please gimme that love you got
Won't you say yeah? Don't you say no
Make me feel good, kiddio

Maybe I'm just wastin' time
I can't get you off of my mind
You could make me feel so good
I know you could if you only would
Won't you say yeah? Don't you say no
And make me feel good, kiddio

I wrote you a six-page letter
Even called you on the phone
You start talkin' 'bout the weather
Kiddio, you know that's wrong?

I can't stand this playin' 'round
Help me up, don't let me down
Kiss me baby, tell me so
If you love me, tell me so
Won't you say yeah? Don't you say no
Make me feel good, kiddio

I wrote you a six-page letter
Even called you on the phone
You start talkin' 'bout the weather
Kiddio, you know that's wrong?

Can't stand this playin' 'round
Help me up, don't, don't let me down
Kiss me baby, tell me so
If you love me, let me know
Won't you say yeah? Don't you say no
And make me feel good, kiddio
Make me feel good, kiddio
