Yes, I had a woman, woman
She's a nice kind in every way
I loved that woman so hard
I couldn't stand to see her go

Yes, my baby, baby, baby
She did everything she said
Yes, my baby, baby, baby
She did everything she said

Yes, I love you, love you, daddy
I'll love ya till my dyin' day

Took my baby downtown now and bought her fine
clothes
Did ev'eything in the world I could

But my baby got somethin'
My baby got somethin'
My baby got somethin'
That I sure do love

She got me walkin' in my sleep and talkin' in my dream
Doin' things, baby, that I sure don't like

But my baby got somethin'
Yes, yes, yes, yes, yes
My baby got somethin'
My baby got somethin'
Man, that I sure do love

My baby got somethin'
My baby got somethin'
Man, that I sure do love

Well, look a here people what she done, done
Got my love and got me on the burn

My baby got somethin'
My baby got somethin'
My baby got somethin'
Man, that I sure do love
