You know the night time, oh, is the right time
To be with the one you love
I said, the night time, oh, is the right time
To be with the one you love
I said, the night time, oh, is the right time
To be with the one you love

Baby, I said, a-baby
Baby, come on and drive me crazy, Lord
You know I love you, I'm always thinkin' of you
Hey baby, oh, I said, a-baby
You know the night time is the right time
To be with the one you love

Alright bring me some, sugar

I said, the night time, oh, is the right time
To be with the one you love
I said, the night time, oh, is the right time
To be with the one you love
I said, the night time, oh, is the right time
To be with the one you love
