Oh Lord, oh Lord, baby  
What in the world gonna become of me?  
I don't know, I don't know, baby

Lord, Lord, Lord  
What in the world gonna 'come of me?  
These hard times, hard times, baby  
'Bout to get the best of me

You know Paul Chrysler, God knows  
Been under for ninety days already  
Was one thing, now people  
Lord, I sure can't understand at all

What in the world gonna become of me?  
This doggone strike soon  
It's gon' become over, people  
God knows my life can't last any longer

I go to the welfare  
This is what the welfare said  
"Look at here now, man, one type-a, a-beans  
And one can-a tripe", I said, "No"

God know that will never do  
If Paul Chrysler will soon end this strike  
God knows, God knows  
I don't know what I'm gonna do
