That's alright, anyway you do  
That's alright babe, anyway you do  
You can mistreat me, yeah  
But you can't when I go on

I have someone there, babe  
Make you leave me alone  
Someone, someone, babe, make you leave me alone  
And that's alright baby, anyway you do

I'm so, so tired baby  
Baby, you mistreat me all the time  
I'm so tired baby, you mistreat me all the time  
I got somebody home, baby, make you leave me alone

Make you leave  
Make you leave  
Make you leave, baby  
Make you leave me alone
