People I had a woman, she was nice and kind to me in  
ev'ry way  
People I had a woman, she was nice and kind to me in  
ev'ry way  
But Lord, she died and she left me, I sang the blues on  
ev'ry Decoration Day

Lord, I hate to see, I hate to see my baby go  
People I hate to see my baby leave that mornin',  
and my Lord takin' my baby 'way  
She said, "Johnny Lee, don't you worry,  
bring flowers on every Decoration Day"

I was 'round my baby's bedside, when my Lord takin'  
my baby, 'way  
Lord, I was 'round my baby's bedside, when my Lord  
takin' my baby, 'way  
It hurt me so bad, so bad, until I, just broke right down  
and cried  
Hmm, hmm

She says, "Fare you well, I see you on every Decoration  
Day", I tol' them  
I told my baby, I told my baby, "I bring flowers on every  
Decoration Day"  
I bring you some flowers, babe, just to decorate your  
grave

People, y'all havin' a good time now, just like the  
flowers that comes in May  
Y'all havin' a good time now, just like the flower that  
come in May  
I think about Lou Della, Lou Della, Lou Della on every  
Decoration Day

Lou Della, Lou Della, Lou Della stays on my mind  
Lou Della, Lou Della, people, boy  
Lou Della stays on my mind  
Lord, she died and she left me on one Decoration Day  
Lord, Lou Della's gone and Lou Della's worryin' me
