John Legend

Anytime she come around
Something is about to go down
Listen to the siren sound
Wake up wake up right now,
'Cuz if I was to go to sleep
Catch me dreaming of a way to creep
Trouble always seems to follow me,
Oh don't follow me now,

Hook

Over and over and over again
I try to tell her no no no
I already have a friend
Over and over she' reeling me in
She says nobody has to know
But I got to let her go

So I had to walk on bye
(She can't be my lover)
She's flashing me them pretty brown eyes
(She can't be my lover)
Though there's green grass on the other side
(She can't be my lover)
All I can say is Hi
She can't be my lover

Anytime she hear the beat
She be dancing right in front of me

Trying to lure me in-between the sheets
But I'm a man and I still get weak
But I'll be damned if I loose my girl
I'll be damned if I don't touch her
Curiosity it killed the cat
Oh and I don't want that (so)
