[John Legend]

If this world were mine, I would place at your feet
All that I own, you've been so good to me
If this world were mine
I'd give you the flowers, the birds and the bees
And you'd be always beside me, be all that I need
If this world were mine, I'd give you anything

[Imani Uzuri]

If this world were mine, I would make you a king
With wealth untold you could have anything
If this world were mine
I'd give you each so sunny and blue
And if you wanted the moonlight, I'd give you that too
If this world were mine
I'd give you anything

[John Legend]

Oh baby, you're my inspiration
And there's no hesitation
When you want me, all you gotta do is call me

[Imani Uzuri]

Oh baby, you are my constellation
And I feel so much sensation
When I'm in your arms, when you squeeze me

[John Legend]

The way that you do

[Imani]

Ooh, the way that you love me more

[John]

The way that you do

[Imani]

Ooh, the way that you love me

[John]

Every sky would be blue as long as you're loving me,

baby

[Imani]

When I'm here in your arms, life is so wonderful, my
love

[both]

Oo Oo Oo Oo Oo Oo Oo
Give me pretty loving, baby
Give me pretty loving, honey
Keep on loving me, baby
Oo Oo Oo Oo Oo Oo Oo
You know I need you, honey
You know I need you, baby
Keep on loving me

[John]

Loving me the way

[Imani]

The way you do
I love the way that you, the way that you
You love me, baby

[2x]

[both]

The world would be yours
The world would be yours
Yeah yeah yeah yeah

Keep on loving me
Keep on loving me [4x]

[John]

The world would be yours

[Imani]

If you believe...
