Baby, you understand me now,
Though sometimes you see that I am mad,
No-one can always be an angel,
When everything goes wrong, you'll see some bad,

But I'm just a soul, who's intentions are good,
Oh lord, please don't let me be misunderstood,

Sometimes I'm so care-free, with the joy that's hard to
hide,
Most of the time, I'm so full of worries,
And then you're bound to see my other side,

But I'm just a soul, who's intentions are good,
Oh lord please don't let me be misunderstood,
Don't let me be misunderstood

If I seem edgy, I want you to know,
I never mean to take it out on you, no,
Cos life has its problems,
And I've got more than my share
That's one thing that I never wanna do,
Cos I love you baby
I'm just human, I have faults like anyone,
Sometimes I think I'll spend the rest of my life
regretting,
Some simple things that I have done,
Oh,

But I'm just a soul, who's intentions are good,
Oh lord please don't let me be misunderstood,
Don't let me be misunderstood
Don't let me be
Don't let me be misunderstood
Don't let me be
Don't let me be misunderstood
