I've got something new for you  
when it gets you wont know what to do  
Relax, let me move u  
dont resist its in the air  
just one taste will take u there  
let it flow right through u  
I know ur getting tired of the same ole thing  
Imma break the rules gonna change the game  
You'll be screaming my name  
and imma take u places u neva seen  
u couldnt picture this in your wildest dreams  
Don't fear you're here with me

*[Chorus:]*

Let's get Lifted  
(lifted)  
ohh imma get u high  
im really gonna blow your mind  
We'll get Lifted (lifted)  
Ur gonna feel it in ur soul  
and baby u will lose control  
we'll get lifted (high)  
ohhh ohhhh

Once u take a hit of this  
u wont ever wanna quit  
you'll be so addicted  
said I'll have u spinning round and round

crazy, making freaky sounds  
you won't want to come down  
And I'll have you seeing things and hallucinating  
even walking funny cuz ur legs are shaking  
All night we'll be blazin'

I'll take u for a walk to the other side  
we can get high and enjoy the ride  
Hold tight we'll be alright

*[Chorus:]*

We'll get Lifted  
(lifted)

ohh imma get u high  
I'm really gonna blow your mind  
We'll get Lifted  
Ur gonna feel it in ur soul  
and baby u will lose control  
We'll get lifted (high)  
ohhh ohhhh

So come and go  
(so much I wanna show u I'll take u there)  
Yeah, I'll take u there  
lemme take u there  
said I will show u  
(so much I wanna show u I'll take u high)  
There's so much I wanna show ya  
I'll take u high ....
