A part of me was so scared of losing you
I knew I messed up
I pleaded guilty and begged for forgiveness
I lost my dignity

I cried my eyes out
I didn't have any chances to get sympathy
All I got was grief from you
I know I did wrong

I put my hands up for my actions
Never thought it would go that far
I did wrong I admit
I still wanted you back

Why did I lie to you
Because I know you would react
All I wanted was attention
Which I never got from you

I'm deeply sorry for lying to you
I had facebook boy mates
And wanted to go holiday with girlfriends
Did I really do wrong

Why do you have to treat me so bad
Do you really love me
Or do you like controlling me
When would you ever realise

Do I really deserve to be disrespected by you
Why do I let you treat me this way
I can do so much better
It hurts so much

Every day and night I cried
I cried in my sleep
I cried in public
I cried to you

So desperately wanted a last chance
Begged and begged on my knees

Asked for forgivenessâ€¦
I didn't get even get one look from youâ€¦

You mentally tortured meâ€¦
Physically abused meâ€¦
Made me feel devoted only to youâ€¦
You made me illâ€¦

What did I really do so wrongâ€¦
To get punished in that wayâ€¦
Now that you come back to meâ€¦
Makes me feel sickâ€¦

You have so much power over meâ€¦
You control my livingâ€¦
I can't breatheâ€¦
I want air nowâ€¦
