Yo yo
Yo yo
Yo yo

She's a fast love professional
Crafty, bold, and beautiful
Stage right
Lock eyes
I swear it's magical

Her name is Melanie
Says she digs my melody
Likes how I move
Thinks I'm cool
That's what she says to me

Big stage
Bright lights
Short love
Long nights
Freaky flies through the skies
To some stars
I come back to town
She's hanging around
It still feels so real but it can't go too far

Her favorite colors be platinum and gold
She only loves in stereo
She only loves in stereo
I should know 'cause I've seen it before
I think I gotta let her go
'Cause she only loves in stereo
Oh oh
Oh oh

Turn on the video
Oh my goodness there she goes
Now I'm hot
Seems I'm not
The only one she knows
Name dropping everyday
But I still want here anyway

I like how she moves
Think she's cool
My favorite getaway

Big stage
Bright lights
Short love
Long nights
Deja vu
Yeah we do it again

Off to the next town
She's on to the next round
Let it go
We both know
That it's all gonna end

Her favorite colors be platinum and gold
She only loves in stereo
She only loves in stereo
I should know 'cause I've seen it before
I think I gotta let her go
'Cause she only loves in stereo
Oh oh
Oh oh
Oh oh
Oh oh

She fell in love with the radio
It wasn't really me
So I had to let her go
Just ask any DJ back in her hometown
She likes to get around
No wonder she gets down

Her favorite colors be platinum and gold
She only loves in stereo
She only loves in stereo
I should know 'cause I've seen it before
I think I gotta let her go
'Cause she only loves in stereo
Oh oh
Oh oh

Oh oh
Oh oh
She loves in stereo
Oh oh
Oh oh
She loves in stereo
Oh

Oh oh oh oh
