Ha Ha Ha  
Haaaaa

(Chorus)

You got me tossing and turning all night  
Lying there waiting till the morning light  
Every since the time that I cheated on you  
I knew the day would come when I'd be in your shoes  
And it's got me tossing and turning all night  
I never want to let you out of my sight  
I knew when I did it, that it just wasn't right  
It's got me tossing and turning all night

It's funny how the tables turn  
It's funny how the lessons' learned  
You act like I sneak around  
You knew what was going down  
Now, I know I made a mistake  
And now you wanna reciprocate  
You got me worry all the time  
I think I might lose my mind

(Chorus)

I saw you looking at my friend  
Baby here we go again  
While I'm trying to make amends  
You steady trying to get revenge  
You say that I'm paranoid  
But, I don't really have a choice  
You never looked me in the eye  
And, I know the reason why

(Chorus)

Got me tossin' and uh turnin'  
Got me tossin' and uh turnin'  
Whoa! I'ma tossin' and uh turnin'  
Whoa! Oh Oh Yeah  
Got me tossin' and uh turnin'  
OH! Got me tossin' and uh turnin'

Got me tossin' and uh turnin'  
Ha uh Whoa Oooooo weeeee  
Ahhhhh

Got me tossin' and uh turnin'  
Got me tossin' and uh turnin'  
Got me tossin' and uh turnin'  
Whoa! Ooooo Yeah  
Got me tossin' and uh turnin'  
Got me tossin' and uh turnin'  
Got me tossin' and uh turnin'  
Got ta Got me tossin' and uh turnin'  
Got me tossin' and uh turnin'  
Got me tossing and a turning

(Fading out)  
Yeah, Yeah, Yeah  
I know I made a mistake  
(Got me tossing and uh turning)
