## "Wholy Holy"

*[Chorus:]*

(Woo-wooo-wooo-wooo)

Whoa-ho-ho-ho Holy Wholly

Come together wholly

People we have got to come together

With all of the strength

Have all of the feeling ooo-yeah

Why Holly Wholly

Come on check out the water now now

Water Holly Wholly

We should believe

Believe in each other's dreams

Jesus left along time ago

And said he would return

But he left us a book to believe in

And in it we've got a whole lot to learn

Yeah-yeah-whoa Holly Wholly

He can't talk out

Can't walk out now

Holly Holly Holly

We can rock this earth's foundation

Yes we can (glory)

Can't you see us (glory)

Brothers and sisters

Talkin' about love

(Love-love-love-love-love)

Love-love-love-love)

(Love-love-love-love-love)

Oooooohooo-hoooo

Holly Wholly

We can rock

We can rock this earth's foundation

Uum hum (Holly Wholly)

Wholly Wholly (Wholly-Wholly)

Can't you see us (Wholly)

Comin' together

Talking 'bout love (Wholly)

Movin' and groovin' with a-love  
Let it get men with a-love (Wholly Wholly)  
Doin' and movin' it with love  
Love-love-love-love-love  
Whoa- Holly Wholly  
He proclaimed love  
He proclaimed love  
About his salvation oh-yeah-yeah  
Yeah-yeah-yeah-yeah (Wholly)

Whoa (Wholly) Wholly Wholly Wholl  
Wholly-wholly-wholly-wholly-wholly  
Wholly-wholly  
Wholly-wholly-wholly-wholly-wholly  
Wholly-wholly  
Wholly-wholly-wholly-wholly-wholly  
Wholly-wholly  
Wholly-wholly-wholly-wholly-wholly  
Wholly-wholly-wholly-wholly-wholly  
Wholly-wholly-wholly-wholly

Love right now- love brother  
Love right now- love...
