Angela, they put you in prison  
Angela, they shot down your man  
Angela, you're one of the millions  
Of political prisoners in the world

Sister, there's a wind that never dies  
Sister, we're breathing together  
Sister, our love and hopes forever  
Keep on moving, oh, so slowly in the world

They gave you sunshine  
They gave you sea  
They gave you everything  
But the jail house key

They gave you coffee  
They gave you tea  
They gave you everything  
But equality

Angela, can you hear the earth is turning?  
Angela, the world watches you  
Angela, you soon will be returning

To your sisters and brothers in the world

Sister, you're still a people teacher  
Sister, your word reaches far  
Sister, there's a million different races  
But we all share the same future in the world

They gave you sunshine  
They gave you sea  
They gave you everything  
But the jail house key

They gave you coffee  
They gave you tea  
They gave you everything  
But equality

Angela, they put you in prison

Angela, they shot down your man  
Angela, you're one of the millions  
Of political prisoners in the world
