One two three four

Well, be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby love, my baby love, my  
baby love

Well, she's the girl in the red-blue jeans  
She's the queen of all the teens  
She's the one woman that I know  
She's the woman that loves me so, say

Be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby love, my baby love, my  
baby, let's rock

Well, she's the woman that's got that beat  
She's the woman with the flying feet  
She's the one that walks around the store  
She's the one who yells for more, more, more, more

Be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby love, my baby love, my  
baby, let's rock again

Well, be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby  
Be bop a lula, I don't mean maybe  
Be bop a lula, she's my baby love, my baby love, my  
baby love
